Simply email us at info@californiaohio.org and we'll put you on our list. There may be a time in the future when we might not have to print the volume of newsletters that we do now which would be a significant savings in printing costs and delivery.

2013 NSP/NBD Projects

Come to the October, November and December CCC meetings to discuss projects for 2013 NSP and NBD funds. This past year each neighborhood was allowed up to \$5,000 NSP and \$5,000 NBD per year. Not sure if cuts will be made. We generally use the funds for beautification, the newsletter, park maintenance, etc. We will vote on projects at December's meeting.

Wedding Congratulations!

Did anyone see the white horse drawn carriage trotting about the town on the evening of Sept 8th? Seems the wedding bug has struck again! Juliet Wiwi and Joseph Bethel married on the scenic Ohio River bank with a beautiful sunset ceremony, complete with a carriage ride straight out of a fairy tale. Congratulations!!

THE NEW PARTY HOUSE

I know all in California know the little cottage on Berte St. is complete, a new home, and a comfy one. More parties and get togethers than you can imagine. Of course, Monty the pig, seems to be the attraction and loves to party too. When you come to the gate he will be there to greet you - loves treats - vegetables and fruits. THANKS MARTY AND JILL FOR MAKING SUCH A LOVELY RESIDENCE TO THE COMMUNITY.

Jackie Kuzniczci Frazier

One Sunday morning on my way to Calif. Methodist Church, a neighbor Bob Wright, stopped me and handed me some old newspaper articles that Elizabeth Cramer had kept for many years. This one so interesting with old names in it that I am re-writing for your enjoyment, will be in installments.

IMPOSSIBLE ----- THEY DID IT!!!!!!

ROCK.....STONE.....who's interested in them but in their religious significance? Backtrack...just briefly, I stood on a vacant lot at California, Ohio (writes the reporter) which forms the eastern fringe of Cincinnati. Nothing there...just a gentle sloping hillside...but that idle ground led to the homes of some people with a vision. Those people had a goal...they wanted to build a church on that particular tract. They were criticized by some...chided by others...many said it could not be done. You'll never raise enough money..even if you do, contractual materials are so scarce you can't complete such a building, the dreamers were told.'

Discouraged? Not these families. You see, the congregation of the little church...once known as RILEY CHAPEL ...had been located ever since 1883 just a few squares away. unfortunately that short distance was toward the Ohio River lowlands...where floods consistently inundated..and frequently wrecked their house of worship. Then they were faced with the necessity and emergency of acquiring a new location. I now went back to the same site where last spring I had stood on open ground. Only this time... it wasn't a vacant lot. Behold...a church had risen there.

*First rose the floods, it stopped their prayer;
Let's build a church--came the bold dare.
They labored long above the stream,
Now their chapel--it's a real dream.
Yes, a vision had come true.*

FIRST REUNION IN YEARS

After many years since we celebrated reunions at Mert Carr's place, many of the younger generation that grew up in California were facebooking and facebook group was set up, and they started remembering their awesome childhood they had growing up and bonding with others. BINGO! Bridgett Woods setup a place "you know you grew up in Little California if..." and many, many were joining and corresponding with their childhood friends and then a reunion was mentioned. So Sun. July 1st was selected and it was unbelievable how many showed up. The Old Calif. School House seemed like the perfect place since I had all the Calif. history placed there.

Had to do some rushing to get the pics in frames and things on the walls so they could enjoy. I must say what a great group - we all worked together. Kris, my granddaughter took over the food part and arrangements, asked for donations to help the Heritage Foundation (which was in need of) to continue on with it. Of course, we had a wicked storm just prior where the electric service was off for days and had to sweat it out until the last few minutes of gathering it came on. What a joy it was! 85 signed up in attendance, all living here at one time. YOU NEVER SAW SO MUCH FOOD!!!! Ten (10) in attendance actually went to the California School growing up and a very nice picture was taken to save for history, they were - Shirley, Bob, and Jackie Kuzniczci, Jane and Carol Suttmiller, Eddie Drapp, Ron Woods, Carol Shelton, Duck Hiles and Billy Hiles.

So much remembering, telling stories, hugging, some not seeing each other for many years. For me I had 4 generations there - Jill, Kris, Baby Braxton, and me, 3 still living here in the town. They were very appreciative and thank me for gathering and saving all the treasures I have managed to keep over the years. Since then have picked up few more interesting artifacts. Enjoyed it so much we decided to have the next one in Sept. of next year and now they're talking about getting together for a Christmas get-together. I AM SO PROUD OF MY NEWER HISTORY INTERESTED FAMILY AND WE ALL KEEP IN CONTACT VIA FACEBOOK.

Doesn't get any better than this, does it?
