5777 KELLOGG AVE

(This is a continuation of Stanley Clift Post 563 article from Winter issue).

January 1958 a regulation pool table was purchased and Past 4th District Commander attended our meeting and commended us on our 5th year of successful operation as a Legion Post. In February 1 958 the membership held a religious program in the California Methodist Church commemorating the Four Chaplains, this program was called the Back to God program. September 1959 a group from the post met at Bill Richey's farm on Sundays for a picnic and to build the dunking machine. November 1959 Bob Bloomhuff obtained ceremonial rifles from the

2012 NSP/NBD Projects

The city has increased our nsp and nbd funds this year for the first time in a long time! Over the past 6 or 7 years the funds have dwindled from \$10,000 each to \$2,000 last year. This year we qualify for \$5,000 for both nsp and nbd! At December's CCC meeting, all typical projects were voted for but now with more adequate funding for each project. Thanks to Invest in Neighborhoods for their hard work lobbying the city administration on behalf of the neighborhoods!

MY NEPHEW, FROM THE HONOR GUARD, IS CARRYING MY CASKET, SURROUNDED BY DEAREST OF FAMILY AND FRIENDS. History of Stanley Cliff Post #563

(Continued from Page #1)

Dept. of the Army to be used by the post in ceremonies and parades. July 1960, the day before the Annual Festival, Donald (Duck) Hehn fell to his death at the water works. This was a sad blow to the membership and we faced the festival with and evident sadness in everyone's heart, because Duck was very active and thought very well of by all the membership.. However, the festival did go on, because we all knew Duck would want it that way.. October 1961 we decided to sponsor a life membership for George Wittenberg. Therefore he became the first life member in the post. Also at the meeting in October 1961 Bob Bloomhuff announced that Gary Ladriagan had lost his life while serving his country in Germany.

December 1962 the children's Christmas Party was changed from St. Jerome Hall to the Legion Hall. In 1963 3 members were chosen to oversee the storing of Civil Defense supplies for the community, these three people are Gene Bradford, Charles Frazier, and Frank Childs. On March 1, 1963 the commander appointed Charley Frazier chairman of the Civil Defense shelter program. Also in 1963 a porcelain and steel sign was obtained by the post to hang over the entrance to the hall.

March 1964 the post donated flags to the classrooms of the Holy Angels school. April 1964 the post purchased a juke box from the Loveland Post. Bob Bloomhuff presented the post on behalf of the American Red Cross a framed certificate commending the Legion post for assisting in the flood refugees of the 1964 flood. Bob also was elected commander of the Hamilton County Council. Jan. 1965 the Hamilton County Council invited the Salvation Army to attend the meeting of the council at our post. This meeting was held in honor of the 100th anniversary of the Salvation Army. March 1965 Bob Bloomhuff sent letters to the Congress in behalf of the post protesting the proposed closing of 12 V.A. hospitals. July 1965 Commander Frank Childs was presented the post of distinction award for the post. and November Commander encouraged the members to get out and get Korean veterans to join the post. In October 1966 the dues were raised from \$5.00 to \$7.00.

February 1967 our last God Star Mother, Mrs. Alice Smith, passed away. November 1967 Frank Childs with a committee consisting of Oddie Abbott, Ralph Frazier, Charley Frazier, and Arnold Fields erected the flag pole and Frank Childs did the fancy rock work around it. November 11, the membership held a formal flag raising ceremony commemorating the first flag raised on our new pole. In December a committee of members started paneling the hall. And Earl Daniels was hired to put a new roof on the hall.

January 1968 the Legion again took over sponsorship of the Boy Scout troop. March 1, 1968 Larry Abbott was voted into membership in the post, and thus became the first Viet Nam veteran in the post. April 1968 the post won the National Commander's meritorious service award. March 1969 Norman Betscher and a committee rearranged the kitchen. April 1969 post members assisted the 4th Dist. Commander, Howard Miller, in handing out 17,000 American Flags to teenagers who attended the Teens for Decency Rally at the Cincinnati Gardens.

May 1969 the Legion members of Stanley Cliff Post lost a good friend, Dick Carnes, who lost his life in the Ohio River trying to save his son from drowning. Also in this tragic episode Mrs. Jo

California Community Council Meeting

March 13, 2012 7:30 P.M.

Role Call:

The meeting opened at 7:30 P.M. with President David Ross leading the Pledge of Allegiance to the flag. Roll call of officers was read and found that Diane Havey, Kathy Chandler, Mike Christ and alternate Bess Carnes were not present at the meeting.

Meeting Minutes:

A motion was made by Hilda Davenport, seconded by Jo Shepherd to suspend the reading of the meeting minutes due to the absence of the Secretary. Motion passed.

Treasurer's Report:

A motion was made by Joey Shepherd and seconded by Diana Weir to suspend the reading of the Treasurer's Report due to the absence of the Treasurer. Motion passed. David Ross did indicate that there had been no activity this month, so funds are maintained at February's level. All 2011 nsp/nbd checks had been received and account back to normal.

Police Report:

Police Officer Germaine Love gave the police report. There was 1 offence during the last report period. Officer Love noted to be particularly careful on St. Patrick's Day for people that may have been drinking. She also reported that the Run for Joe event will be on Saturday, May 26th. (Memorial Day weekend.) Bicyclists will be on Kellogg from Coney to approximately Wilmer, from about 7:00—8:45 am. If you need to come or go from town during this time, use Waits and Kellogg towards 275, or even better, avoid Kellogg entirely if possible. There was much discussion about properties in town that are very unsightly with trash, junk cars and possibly running a business contrary to zoning codes. Officer Love will check into the issue. There was also extensive discussion about issues which start this time of year, open burning, speeding, quad runners and dirt bikes, etc. There is concern that California doesn't get much attention from the police department. Officer Love to bring issues to her superiors and Dave will follow up with phone call.

Guests:

Mark Ayer from River City Sports Complex was present to introduce himself and explain his operation and open dialog with the neighborhood. He would like to be a good neighbor and avoid problems with previous operators. He said his operation will be family oriented with kickball and sand volleyball in addition to softball. He said a restaurant will be open to anyone and will offer better quality and options than usual ballpark food. See his website for additional information www.rivercitysportscomplex.com. He asked for support of his liquor license. No one present had any objections as long as he continued the open, positive relationship with the neighborhood.

Old Business:

Dave Ross is putting together the nsp and nbd proposals for this year. The neighborhood is eligible for \$5,000 nsp and \$5,000 nbd. The contracts should be approved by early April. Projects available include park mowing, streetscape maintenance, website maintenance and newsletter editor. Additional flags will be purchased for Kellogg and some funds will be available for Ebersole furniture/equipment.

New Business:

The Easter Egg hunt is scheduled for Sunday, March 25th at Ebersole. Lebos will be providing the goodies for the plastic eggs. There was discussion about the amount of potholes in town. Hilda has been in contact with the maintenance department and will stay on them. As many people as possible should call the general number and report the holes, using specific street addresses to locate the hole. We should be up soon for a total repaving. Dave will also check with the city. There was continued discussion about a community picnic / reunion / celebration held at the Ebersole Center potentially on July 1st. Since our last meeting we lost 2 great Californians who were spouses of CCC board members, Charlie Frazier and Roy Pangallo, husbands of Jackie Frazier and Diane Havey Pangallo. Our hearts and prayers go out to the friends and families.

With no further business before the council, a motion to adjourn the meeting was made by Jo Shepherd and seconded by Hilda Davenport. The meeting was adjourned.

Respectively submitted,
David S. Ross
President

Stanley Cliff Post **(Continued from page #2)**

Carnes heroically made a daring attempt to save her husband and son. Then Miss Rhonda Betscher, a child of 8 years with the composure of an adult heroically steered the boat in the raging Ohio River until she herself was rescued. December 1969 the membership paid the last payment on the mortgage. April 1970 Bob Bloomhuff awarded the Auxiliary a plaque on behalf of the Legion Post for their outstanding and dedicated work at the Cincinnati V.A. Hospital and especially for their work at the Christmas Gift Shop for the veterans in the hospital at Christmas time. April 1970 Joe Pruhs, Sr. was appointed Deputy 4th Dist. V.A. chairman at the Cincinnati V.A. Hospital.

(This is the end of this history, don't know if someone continued on with further events, I do not have it in my files)
Post was sold in 1983, for lack of membership.
